

## § 1463.112

under this section as income earned by the assignor.

### § 1463.112 Successor in interest contracts.

(a) A quota holder or tobacco producer who is eligible to receive a payment under this part, and for whom a claim has not been established by the United States, may enter into a successor in interest contract with another party using the correct CCC form. Such successor in interest contract will become effective upon approval by CCC, and will not include the 2005 payment. Only one such successor in interest contract may be entered into by a quota holder or tobacco producer with respect to a farm for each kind of tobacco.

(b) Annually, CCC will establish, after consultation with the Department of the Treasury, a discount rate that reflects the value of any remaining payments due under this part if such payments were to be made as a lump sum payment in the current year. This discount rate will be determined as provided in § 1463.111(d)(2). Unless there is consideration for such contract in an amount equal to or greater than the discounted value of the payments, subject to the successor in interest or contract, based on the discount rate established for such payments by CCC, CCC will not approve any succession in interest contract other than to:

(1) A family member; or

(2) A party who had purchased a tobacco marketing quota prior to October 22, 2004 and had placed the quota on a farm with the owner's consent prior to that date in the manner that had been prescribed by FSA under part 723 of this chapter.

(c) CCC will issue a payment, except the 2005 payment, to a successor party only if such party is otherwise in compliance with all other applicable regulations, which includes for successors to producer contracts only the wetlands and highly erodible land provisions of part 12 of this chapter. In accordance with part 1403 of this title, any claim owed by the successor party to the United States will be deducted from any payment made under this part prior to the issuance of the payment to the successor party.

## 7 CFR Ch. XIV (1–1–06 Edition)

(d) CCC will report to the Internal Revenue Service any payment made under a successor in interest contract as income earned by the successor party.

### § 1463.113 Issuance of payments in event of death.

If a quota holder or tobacco producer who is eligible to receive a payment under this subpart dies, the right to receive payments shall be transferred to the estate of the quota holder or tobacco producer unless such person is survived by a spouse or one or more dependents, in which case the right to receive the payments shall be transferred to the surviving spouse.

### § 1463.114 Appeals.

A person may obtain reconsideration and review of any adverse determination made under this subpart in accordance with the appeal regulations found at parts 11 and 780 of this title.

## Subpart C—Miscellaneous Provisions

### § 1463.201 Refunds of importer assessments.

Assessments paid on imported flue-cured or burley tobacco under sections 106A and 106B of the Agricultural Act of 1949 with respect to imports in the 2004 and prior marketing years may be refunded by CCC in accordance with the provisions of 7 CFR 1464.105 that were in effect prior to March 30, 2005, so long as such request for refunds are filed in accordance with such part no later than:

(a) August 1, 2005 for flue-cured tobacco; and

(b) November 1, 2005 for burley tobacco.

### Subpart A—General Provisions

#### § 1465.1 Purposes and applicability.

Through the Agricultural Management Assistance (AMA) program, the NRCS provides financial assistance funds annually to producers in 15 statutorily designated states to construct or improve water management structures or irrigation structures; to plant trees to form windbreaks or to improve water quality; and to mitigate risk through production diversification or resource conservation practices, including soil erosion control, integrated pest management, or transition to organic farming. The AMA Program is applicable in Connecticut, Delaware, Maryland, Massachusetts, Maine, Nevada, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Utah, Vermont, West Virginia, and Wyoming.

#### § 1465.2 Administration.

(a) Administration and implementation of the conservation provisions of AMA Program for the CCC is assigned to the Natural Resources Conservation Service (NRCS). The Farm Service Agency (FSA) is responsible for 'person' determinations under §1465.23(c) and making cost-share payments.

(b) NRCS will:

(1) Provide overall management and implementation leadership for the AMA Program;

(2) Establish policies, procedures, priorities, and guidance for implementation;

(3) Establish cost-share payment limits;

(4) Determine eligible practices;

(5) Develop and approve conservation plans and contracts with selected participants;

(6) Provide technical leadership for implementation, quality assurance, and evaluation of performance; and

(7) Make funding decisions and determine allocations of AMA funds.

(c) FSA will:

(1) Determine 'person' and producer eligibility; and

(2) Make cost-share payments for practices completed.

#### § 1465.3 Definitions.

The following definitions apply to this part and all documents issued in accordance with this part, unless specified otherwise:

*Applicant* means an agricultural producer who has requested in writing to participate in the AMA Program. Producers who are members of a joint operation shall be considered one applicant.

*Chief* means the Chief of NRCS, or designee.

*Conservation district* means a political subdivision of a State, Indian tribe, or territory, organized pursuant to the State or territorial soil conservation district law, or tribal law. The subdivision may be a conservation district, soil conservation district, soil and water conservation district, resource conservation district, natural resource district, land conservation committee, or similar legally constituted body.

*Conservation plan* means a record of the participant's decisions, and supporting information, for treatment of a unit of land or water, and includes the schedule of operations, activities, and estimated expenditures needed to solve identified natural resource concerns.

*Conservation practice* means a specified treatment, such as a structural or vegetative practice or a land management practice, which is planned and
